## PUBLIC NOTICE

The Federal Communications Commission has designated for consolidated hearing the following applications for new FM stations in Florida: Bible Broadcasting Network, Inc. (BBN), Channel 202C2, Conway, Florida; Central Florida Educational Foundation, Inc. (Central), Channel 202C3, Union Park, Florida; Palm Bay Public Radio, Inc. (Palm), Channel 203A, Mims, Florida; Southwest Florida Community Radio, Inc. (Southwest), Channel 202C2, Conway, Florida; Mims Community Radio, Inc. (Mims) Channel 202C1, Oak Hill, Florida; and Hispanic Broadcast System, Inc. (Hispanic), Channel 202C3, Lake Mary, Florida. The hearing will begin on July 21, 1992, at the offices of the FCC in Washington, D.C. The issues as listed in the Commission's Order of Designation are as follows:

1. If a final environmental impact statement is issued with respect to the above-mentioned applicants, in which it is concluded that the proposed facilities are likely to have an adverse effect on the quality of the environment, to determine whether the proposal is consistent with the National Environmental Policy Act, as implemented by Sections 1.1301-1.1319 of the Commission's Rules.

2. To determine: (a) the number of other reserved channel noncommercial educational FM services available in the proposed service area of each applicant, and the area and population served thereby; (b) whether a share-time arrangement between the applicants would result in the most effective use of the channel and thus better serve the public interest and, if so, the terms and conditions thereof; and (c) in light of Section 307(b) of the Communications Act of 1934, as amended, which of the proposals would best provide a fair, efficient and equitable distribution of radio service.

3. To determine, in the event it is concluded that a choice between the applications should not be based solely on considerations relating to Section 307(b), the extent to which each of the proposed operations will be integrated into the overall cultural and educational objectives of the respective applicants; and whether other factors in the record demonstrate that one applicant will provide a superior FM educational broadcast service.

4. To determine in light of the evidence adduced pursuant to the specified issues, which of the applications should be granted, if any.

A copy of the application, amendments, and related material of Bible Broadcasting Network, Inc. are on file for public inspection at Orange County Public Library.
